COMPANY PROFILE

The Arth Buildcon was founded in 1991 in Ahmedabad, Gujarat. Since the group has grown dramatically in both size and reputation, we entered the wider market from Our venture "Arjun Tower" at C. P. NAGAR was the first gated community residential project in Ahmedabad of 280 flats with amenities like Clubhouse, Jogging track, Children's Park, Cricket Court, etc in 1992. Now similar projects are in pipeline in the heart of Gujarat.

We have a broad portfolio of successfully completed projects across a range of sectors including Residential, Industrial, Hospitals, Hotels, and Commercial. We have built our reputation on our client focus and hands-on approach. We are proud of the fact that the majority of our workload comes from repeat business and that we have a strong reputation for our competitive edge and execution of all projects undertaken.

Our ambition and goals for almost three decades have always been to deliver quality projects and value for money to our clients, our success and reputation today have been a testament to this wisdom.

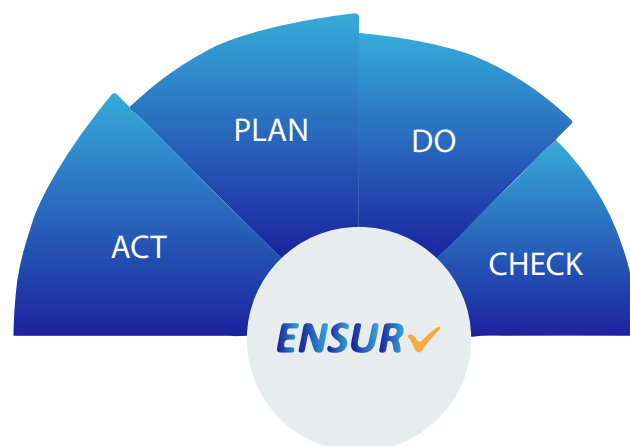

QUALITY MANAGEMENT

Quality is of paramount importance to all team members at Arth Buildcon. We are continually evaluating and improving the level of service we offer our clients to ensure the reputation for quality on which we pride ourselves is maintained and grown. We are committed to providing projects that are not just fit-for-purpose, but which exceed expectations in terms of quality of build and functionally. Our reputation for both the quality of our project management and finishes projects is achieved through our proven Quality Management System.

The purpose of such a Quality system is to

“Get It Right First Time Every Time”

Our Directors and staff are committed to driving this process actively to give our clients the satisfaction of knowing that we will deliver exactly what we promise.

OUR QUALITY CHECK

Health & Safety Management

Our Board of Directors and staff are committed to the implementation and continuous improvement of the Integrated Management systems governing our Health, Safety, Environmental, and Quality Codes of Practice.

Implementation of our safety policy is strongly supported by our Board of Directors and through the empowerment of all of our employees. We are proud of our management systems, which have been developed and constantly improved on for over three decades.
